- Parent meeting at 7:00

**March 8-12-** Spring Break

**March 29** – "Excellence in Education" at NCS

**April 9** – Spring Musical

---

### Bible

This week we will be discussing the idea of stewardship and using what we have been given wisely.

Memory work: The children will identify the twelve disciples' names. (**due Fri**)

**Last week's memory verse is due on Wednesday:**

Hebrews 11:1 "Now faith is being sure of what we hope for, and certain of what we do not see."

---

### Math

We are counting money this week! Pennies, nickels, and dimes are the coins we are using this week! Take your child shopping and let them pay! (maybe just to the dollar store ☺)

---

### Science

We will finish the unit on magnets this week. Some questions to ask your children: What is the strongest part of a magnet? What do magnets attract? What does repel mean?

---

---

### Reading

Our focus this week will be on words with 'oo'. Examples: cool, took. We will also begin this month with Dr. Seuss activities.

---

### Language Arts

We continue to practice using is, are, was, were, has, and have correctly in sentences. For writing, we continue to focus on writing a paragraph with a beginning sentence, three supporting sentences, and a wrap up sentence.

---

### Spelling

We will be focusing on words with the long 'e' sound and some high frequency words.

### Spelling Words

be	me	we
see	seed	feel
meat	meet	weak
week	come	other
people	know	

---

### Homework

Every Night – Read for 15 min.  
-- Practice spelling words.

---

### A Note from Mrs. Smith

Thank you to Mrs. Katancik for making us green eggs and ham to celebrate Dr. Seuss' birthday!

**PARENTS' REPLY COUPON**

PLEASE SIGN AND RETURN THIS COUPON AND THE ENVELOPE BY FRIDAY.
