Reading

Dr. Seuss's birthday will be celebrated with kindergarten and activities in our room.
The class will begin reading the unit "Creatures".

Language Arts

We have begun looking at adjectives.

Math

Geometry is our focus. We will learn more about polygons and quadrilaterals.

Science

We are still studying the weather:
Watching the weather on TV, listening to their chatter, and viewing the maps is a wonderful way to be exposed to the things we read and talk about in school.

Social Studies

We will have the test on chapter 12 on Tuesday.
This test includes the location and abbreviation of the states as well as landforms.
