Chapter 6-Measurement

-Comparing and ordering by size and length.

Science/Social Studies

Science: Discovering things that float and sink

Specials Schedule

Monday-PE

Tuesday-Music; library books due

Wednesday- Library

Thursday-Art

Friday-Chapel

Announcements

Friday's Show and Tell: something they think will FLOAT in water

- *1 item only please *

**If anyone has plastic laundry detergent scoops and plastic milk jug lids, please save them when you're done!!! I am in need of 8 plastic laundry detergent scoops as well as 16 plastic milk jug lids. We will be doing an Earth Day project in April ☺ Thank you!

Homework:

-All letter R homework is due Monday, March 15.

-Your child will be bringing home a set of sight words, which we will add to weekly. They need to practice them every night and bring them back to school every day.

Dates to Remember

March 2 - Dr. Seuss' birthday ☺

March 2 – NCS Parent Meeting @ 7:00

March 8-12 - Spring Break !

March 29 – “Excellence in Education” Symposium at NCS

April 9 – Spring Musical
