Financial Aid Applications Due Soon!...

We know that providing a strong, Biblical based Christian education can be a sacrifice for some families. Please know that there is limited financial assistance available for qualifying families. If you need assistance for the 2010-11 school year, we urge you to complete the financial assistance application as quickly as possible.

We would like all applications to be submitted by June 25th so that assistance determinations can be made. Packets are available in the school office. Please complete yours today!

Summer Day Camp!

NCS Daycare & Preschool is excited to offer brand new Summer Day Camps opportunities for your child!

Themed weekly camps are available for your Kindergarten through 6th grade child (grade entering). The camps will run Monday through Friday from 7:00 am to 5:30 pm. Fun filled days with hands-on activities, sports, experiments, field trips and more.

To find out more, please call the school office for a brochure or more information!

From the Headmaster

I am pleased to inform you that the CMA Church has voted to support Nittany Christian School in its effort to gain a separate 501(c)3 not-for-profit status.

Why is this important? It means that we will be able to open more doors for funding for our school. There are “Angel investors” who are comfortable working with 501(c)3 organizations and their reporting processes. They are interested in supporting the mission and vision of organizations such as ours.

What are some of the questions that they will ask? They want to know who has supported the school and will want to measure that support. No doubt, the CMA Church has supported NCS for 35 years, and continues to support it now.

They also want to know that the Board, Staff and families have supported the school. They will measure the support for the Annual Fund and it will be important that we have 100% participation from each constituency.

Thank you for your continued support and ongoing prayers for our school. We are excited about the new opportunities that we now have and are looking forward to a great 2010-11 school year.

I pray that you all have a wonderful and relaxing summer break. I will miss the students filling the hall and will look forward to their return in September.

Our offices will be open through the summer hours if you need to get in touch with us!

SCRIP Order Dates

SCRIP orders are due by the following dates for the summer:

June 7

July 5

August 2

Our SCRIP coordinator is Jean Barczak. She may be reached at 238-6382 or via email at jas10@psu.edu.

Summer Office

The office will remain open during the summer months, however, we will be on shorter hours. Our hours will be Monday through Friday from 9:00 till 2:00.

We will continue to utilize the Nittany Notes (though it may not be weekly) to communicate with you.

If you have any questions, please do not hesitate to give us a call at 234-5652.

Take Me Out to the Ballgame...

We are looking into the possibility of having a Nittany Christian School night at the ballgame!

Please reserve the date of Saturday, August 7th for a fun-filled night at a Spikes game.

We will let you know more about the event and how to get your tickets at a later date. This will be a super fun way to reconnect with your Nittany Christian family and enjoy fun and fellowship.

Lost and Found

Last call for lost items! If your student is missing a lunchbox, jacket or other miscellaneous items, please have them check the Lost and Found box located in the office.

School Bus News

All parents in the Bellefonte Area School District should have received a bus information form this week in back pack mail.

Please make sure to complete this form and return it to the school office as soon as possible.

For all Kindergarten students, there will be a Bus Orientation on Monday, June 21st at Our Lady of Victory School beginning at 10:00.

If you are unable to attend this session, you may attend one of the alternate meetings. A list of dates and times will be sent to all parents of incoming Kindergarten students.

Congratulations to our 8th Grade Graduates!

Joshua Cetnar, Devin Christian, Christi Hlywiak, Ryan Kling, Rachel Long and Levi Veneziano

Wishing you God's richest blessings in your future.

We will miss you!
