Dear Parents,

I want to say that I have enjoyed working with your children this year. As I think of each child, I know that God has a special job in life for each of them to further his kingdom. Here is a list of the children and a thought about each one.

Saran	hard worker and friendly
Chloe	creative and an entrepreneur
Hyunseo	creative and joyful
Yunseo	enthusiastic and cheerfulness
Daniel	laughter and jokes
Aleah	compassionate and helpful
Daniel S.	courageous and laughter
Dylan	determined and enthusiastic
Rachel	creative and fashion sense

I want to say thank you for the support each of you has shown to me throughout the year. I will count it a blessing to have had the opportunity to be your child's teacher.
